To Whom It May Concern

This letter is to certify the Maguire Coaches and Travel have provided Bussing Services to and from the Darling Downs Power Station Site since May 2009. This contract involved transporting workers from Dalby to the Darling Downs Power Station Site approximately 40 km from Dalby.

At the peak of this project, Maguire Coaches were providing up to 15 return services daily and were able to assist with extra services at short notice in a timely manner. These services were complemented with evening shuttle services in Dalby, providing transportation for workers at the Darling Downs Construction Joint Venture Camp into the town giving the workforce the opportunity to access the recreational, retail and hospitality on offer in Dalby. Maguire Coaches have serviced this contract in a professional and safe manner.

The construction of the Darling Downs Power Station is now complete. The Darling Downs Construction Joint Venture would like to thank Maguire Coaches for the great service provided during the construction of the Power Station and look forward to working with Maguire Coaches on future projects.

Yours sincerely

A handwritten signature in blue ink, appearing to be "A. O'Rourke", written over the "Yours sincerely" text.
